SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants brings to the attention of the Examiner the documents listed on the attached Form PTO-1449. This Supplemental Information Disclosure Statement (IDS) supplements the IDS filed April 17, 2002, and is being filed before the mailing date of a first Office Action on the merits for the above-referenced application.

A copy of the PCT Search Report in corresponding PCT application PCT/US00/27055 mailed August 27, 2001, and copies of the documents cited in the Search Report that have not already been submitted are attached. Copies of all documents listed on Form PTO-1449 are attached.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

An International Search Report from the European Patent Office issued in a corresponding application citing one of the attached documents and setting forth the relevance thereof is enclosed. The three (3) other documents cited in the search report were previously submitted in the Information Disclosure Statement filed April 17, 2002.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited document does not constitute "prior art" under United States law, applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
